Tue, 05 Jan 2018 12:00:23 +0000PhantasyStar Online 2 patch 1.2.4 brings you several of fixes out there. We will also remind you of the instalments that are coming soon.

Throughout the game, there are in our comments, some serious bugs that we want to tell you about. We know that the game has been out a lot of time but we want to be able to announce that we intend to patch these. The most recent patch is expected to contain minor fixes to the game, and we try to keep the version update first before publishing this new patch. It's worth noting that we update this page every time a new patch is released.

E-Sports leagues are back from 5th Jan-15th Jan
