(2013-09-30) Stereochemistry of Organic Compounds: Theoretical and Experimental Aspects. Eliel, Ernest L.; Wilen, Samuel H. . Q: Batch files - How to wait for user input I have a .bat file that uses a third-party program to create some files and folders. I want the script to wait until the user is done creating the files and folders, then run the rest of the script. The problem is that the program (third-party) creates the files and folders as it goes, so I need a way to tell it to be done so that the rest of the script will begin. Here's my current code: PAUSE RUN.BAT pause PAUSE Where RUN.BAT is a file that calls PRIVMSG. A: run.bat: @REM

```
----- @REM
Run Runfile.bat on Intel Processors @REM
----- @ECHO
OFF @CALL "PRIVMSG" /BRB @CALL "PRIVMSG" /b /t "work
done" @CALL "PRIVMSG" /b /t "just to be safe" @ECHO OFF
@CALL "C:\Program Files (x86)\MyApp\MyApp.exe" @GOTO
:EOF Runfile.bat: @REM
----- @REM
Arguments: @REM 1 = Processor: e.g. "S35" @REM 2 = File:
"C:\SomeApp\SomeApp.exe" @REM 3 = Message: e.g. "Work
done!" @REM 4 = Message: e.g. "Just to be safe" @REM 5 =

Ontario government had issued a news embargo (Ceaser-like clause) against one of its newspaper reporters. The reporter, who, according to the newspaper, is "considered a 'novice' by those who know him" has been denied access to several prison facilities: The first of the prisons where he was locked out was the Women's Correctional Centre in Toronto.... Two of the places he was turned away from were Ryerson University's school for law students in November 2007, and the Sault Ponca Beach Algonquin Resort in July 2008. He said he was told by Corrections and Parole officials he had no permission to enter the schools and the resort. At Ryerson, "I was totally blocked, I said, 'Excuse me, I'm here to do a story.' I was very confident, I was talking to a couple of employees and they wouldn't let me back in. "I think they were shocked. I never spoke to anyone on the inside before, and they did not give me a reason to be there, and I have no idea why. But it probably had something to do with me not having the appropriate credentials. "There is no official reason why I was not allowed to enter the school. I was told it was because of the Ceaser rule, that no one was allowed to go on those grounds. They said they did not allow any media to go on the grounds of the school
